# OLD SORES

# **KEPT OPEN BY BAD BLOOD**

Whenever a sore refuses to heal, it is because of bad blood. If the place existed simply because the flesh was diseased at that particular spot, it would be an easy matter to apply some remedy directly to the ulcer that would kill the germ; or the diseased flesh might be removed by a surgical operation and a cure effected. But the very fact that old sores resist every form of local or external treatment, and even return after being cut away, shows that back of them is a morbid cause which must be removed before a cure can result.

The impurities in the blood which keep old sores open, come from different causes. A long spell of debilitating sickness, which breeds disease germs, in the system, is a common source. These

morbid impurities get into the OAKLAND, Cal., April 23 -- An at- circulation, and the blood becomes a polluted, infectious fluid, which, instead of nourishing the irritates and ulcerates them, and Gallagher was unstairs with his wife the time, and Scheneck was in arear Another cause for bad blood is at the time, and Scheneck was in arear foom with his wife and four children, and Dr. Guy Brown. All escaped expept one boy, who was hit in the neck by a flying missile. Gallagher's hat was pierced by a splinter.

The report was heard all over Oakhand, and many windows in the neighborhood were broken. A post of the perch was hurled 100 feet.

Gallagher was a member of the Board of Supervisors of San Francisco who poonfessed to receiving bribes. He was thairman of the Finance Committee, and, according to his testimony, acted this fermenting matter is absorbed into the circulation. The sorbed into the circulation. The weakening or polluting of this vital fluid may also come from

trouble. I tried almost every-thing I heard of, but got no benefit until I commenced S. S. S. In a short time after commencing this remedy I began to improve, and I contin-ued to use it until it drove the poison from my blood, and completely cured this obstinate sore. I recommend it most highly as a remedy for sores and ulcers.
DAVID C. MILLER.

242 W. 49th St., New York, N. Y.
